

Intention to Publish Policy Agreement for Materials for which the Russell Library does NOT own or administer copyright

I understand that the Richard B. Russell Library for Political Research and Studies does not control the rights of reproduction for materials in its collections unless specifically stated. I also affirm that Russell Library has notified me of my obligation to observe copyright, and I assume all responsibility for clearing production rights and for any infringement of the U.S. Copyright Code. Furthermore, by signing this document, I agree to indemnify and hold harmless the Russell Library, its agents and employees against all claims, demands, costs, and expenses incurred by copyright infringement or any other legal or regulatory cause of action arising from the use of these digital photographs or copies.
