Requesting Books and Journals in the Hargrett and Russell Libraries through GILFind

1) Search for the item you want

2) Click on the Title (highlighted in blue) to see the record for the book or journal

3) Click the button labeled Request located below the green tab labeled Holdings
4) A window will pop up confirming your request. Make sure the box is checked next to the item you would like to see. Be sure to choose what date you would like to visit by clicking on the date labeled Scheduled Date. Click the button labeled Submit Request.

5) You will be taken to the UGA Special Collections Research Account log on page. First time users affiliated with UGA should enter their UGA MyID and password into the box on the left. First time user not affiliated with UGA should click on the link labeled First Time Users.
